"Back-to-School" Gift Keychain

1. Download and print alphabet template
On the back side of the template, colour in the letters of the alphabet needed for the receiver's
name with a pencil. Place the template on white construction paper and re-trace the letters with
a pencil. Colour in the letters with Connector Pens.

2. Draw an irregular circle around the name.

3. Cut it out.

4. Glue the name onto blue construction paper and draw another larger circle around it. This time, make the circle as perfect as possible.

5. Using a hole puncher, place a hole at the top of the keychain.

6. Pull a thread through the hole, and if you have one, attach a pearl to the knot.
